Dear Chess Organiser,

The 2009/2010 Under 14/18 Inter-schools' competition is being run as a team competition, and this will take place on

SATURDAY 6th March from 1:00 till 5:30 p.m.

Neatherd High School, Norwich road, Dereham, Norfolk, NR20 3AX

I very much hope that you will be able to enter at least one team of 4 players, and would welcome B, C and D teams too! Please remember that under 14 means school year 9 and below: i.e. under 14 on 1st September 2009 .

To cover costs, a charge of £5 per team will be made, cash or cheques payable to 'Norfolk Junior Chess', please. A school shield will be presented to the winning team of each age group (to keep for a year), plus awards for individuals in the top three teams..

The format of the afternoon will be a 3 or 4 round team Swiss - ie NOT a knockout tournament, each round lasting up to an hour.

In order to provide adequate supervision, I would ask that each school send an adult to remain at the venue throughout the tournament.

Please don't feel that your players won't be good enough - the Swiss system helps teams to find their own level, and the more schools involved the better. Teams from Middle and Primary schools are also welcome of course. Participating in a team event is an ideal introduction for players into competitive chess outside the school.

Please return the slip below to enter your team(s) - entry fees acceptable on the day. Looking forward to seeing you there
